PHOTO SERIES NO. 22

SCHOOL LUNCH PARTICIPATION, RYE, N. Y.

SEPTEMBER 1958

USDA photographs showing how two schools--elementary and high school--in the town of Rye, Westchester County, New York, participate in the National School Lunch Program. These photographs were taken for the Agricultural Marketing Service.

N-25364--School lunch is a matter of pride in Rye, N. Y. Working area and ovens in High School kitchen, recently expanded and remodeled for increased School Lunch Program participation.

N-25371--Rye High School boys eat hearty lunch, drink plenty of milk. Note extra milk on trays.

N-25372--Scene at lunch counter in Rye High School lunch room, Rye, N. Y.

N-25378--Three Rye High School girls enjoy a typical Type A school lunch.

Magazines and newspapers may obtain glossy prints of any of these photographs from the Photography Division, Office of Information, U. S. Department of Agriculture, Washington 25, D. C. Others may purchase prints (8 x 10) at \$1.00 each from the same address.

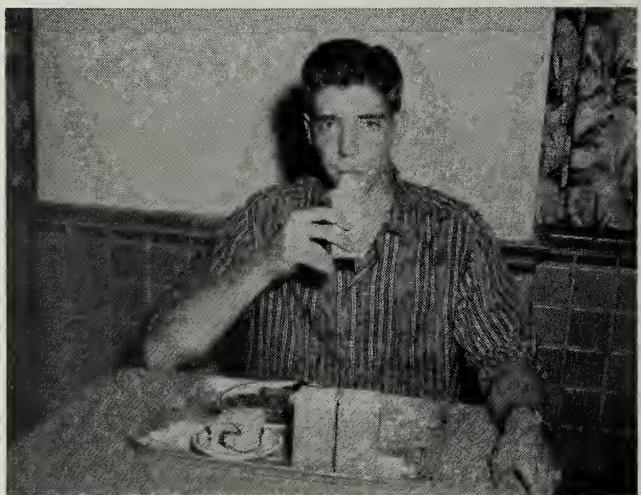

N-25374--Good appetites are not exclusive with boys. Here three Rye High School girls carry full trays, typical Type A lunch.

N-25369--Typical Type A lunch enjoyed at Rye High School. Children say 1/2-pint of milk is never enough, prefer 1/3-quart container.

N-25368--Second grader Brooks Boardman saves milk and fruit for last. He eats lunch daily at Midland School.

N-25375--This Rye High School senior eats a school lunch daily and drinks one quart of milk at lunch. Note the three 1/3-quart containers of milk.

N-25377--Milk is an essential part of this teen-ager's lunch at Rye High School.

N-25376--Rye High School girl eating lunch.
